

Alma Chronicles I

Alison's Legacy

A Scottish immigrant in eighteenth-century England, Alison struggles for acceptance as an independent innkeeper. Such scandalous behavior for a lone and pregnant woman could result in exile to the streets of London. The Jacobite Rebellion brings an English lieutenant to the inn door, and Alison falls in love. A diviner reveals that he is no other than the Celtic lover to whom Alison owes a centuries-old karmic debt.

In the Alma Chronicles, souls, bound together in a circle of love, passion, betrayal, and murder, reincarnate lifetime after lifetime from the ancient Celtic world through twenty-first century America.

“Deeply engaging, superlatively written, uniquely scripted, metaphysical novel showcasing a courageous and independent woman of yesteryear ...will resonate with modern readers.” *Midwest Book Review Five Stars*
